Colleagues Around the World Usher in the Lunar New Year

Millions of people across the world celebrated Chinese New Year as they welcomed the Year of the Pig.

In Singapore, colleagues from Globelink Singapore and HQ office gathered for a Yu Sheng session, otherwise known as Lo-Hei or prosperity toss, to usher in good fortune. A Yu Sheng Platter contest was held with 8 teams competing against one other to come up with their own creative take on the dish!

And when it was time to start the tossing, everyone had a fun time tossing the colourful and flavourful Yu Sheng high up while shouting out the auspicious phrases.

It was a fun and boisterous, albeit messy affair that is a yearly tradition in Singapore's office!

For our colleagues in China, the Spring Festival is one of the most important festivals in Chinese culture featuring family reunions, feasts, and various cultural activities.

Every year, Globelink Tianjin holds a dinner for all their employees in appreciation of their hard work for the year as well as to welcome a new year together. The dinner, which was held on 25th January 2019, was graced by CWT Globelink Group's Executive Chairman, Mr Tan Choon Wei.

Mr Li Nai Jun, General Manager of Globelink Tianjin, delivered a welcome address at the opening ceremony and this was followed by a speech from Mr Tan who also thanked the staff for their hard work and contributions to the company.

This year coincides with the office's 24th anniversary since establishment and a birthday cake was specially prepared for the occasion.

Fun and interactive games were served up throughout the dinner and they received enthusiastic responses from all the participants. And one of the most highly anticipated segment of the dinner was the lucky draw with attractive prizes that were up for grab!

Employees of Globelink Dalian gathered for a cozy dinner as they were treated to a sumptuous meal organized by the company in a form of appreciation for all for the efforts and dedications of the past year. CWT Globelink Group's Executive Chairman, Mr Tan Choon Wei, was invited to join in the dinner.

The dinner was an excellent opportunity for colleagues to unwind and get to know one another better outside the office.

The night drew to a close as Mr Tan presented prizes to the lucky winners of the lucky draw.
