Peak Season Surcharge Eastbound Services From 1st March 2020

Dear Customer

Following recent announcements concerning reduced capacity by the shipping lines, we are sorry to advise that a Peak Season Surcharge (PSS) is being levied for sailings from Europe with effect from 1st March 2020.

The PSS will be added at a an initial rate of \$7.00 w/m for our LCL services on vessels sailing on or after 1st March to Asia, Indian Sub-Continent, Middle East and Oceania.

PSS will also apply from the same date for FCL shipments to the above areas and will be applied depending on which line is used.

We will endeavour to keep this surcharge in place for as short a time as possible and keep you updated accordingly.

Thank you for your continued support.
