CEO Summit 2018

The 2018 CWT Globelink Group's CEO Summit have brought together close to 50 representatives from Globelink offices around the world, This year's CEO Summit was held on 22 and 23 of May at Swissôtel The Stamford, which is strategically located in the heart of Singapore amidst world-class shopping, dining, entertainment and business opportunities.

The event kicked off with our Executive Chairman, Mr. CW Tan, giving a key note speech, providing updates on the Group's Performance and the industry outlook, followed by our Group CEO, Mr. Daniel Tok, sharing strategic directions for the Group.

The 2018 Summit welcomes two new members to the global Globelink network - Globelink West Star Shipping Saudi Arabia & Globelink (Mauritius) Ltd. The representative from each of these offices took the stage to present an introduction of their office to the Group.

The annual event was a great opportunity to engage delegates in interactive group discussions, as well as enabling offices to exchange knowledge and insights on corporate strategies and industry trends for the year ahead.

Each of the event days ended off with a sumptuous dinner, where everyone had the chance to unwind and network in a casual setting.

As with the other years, the CEO Summit proves to be an effective platform for Globelink offices to get together to connect and share market trends in their local context and to also explore strategic market opportunities.
