New Branch Office in Ankara, Turkey

Globelink Unimar Logistics Inc. is very proud to announce the establishment of a new branch office located in Ankara, Turkey. This office is operational since 1st March 2016.

Istanbul will still be the port of entry hence all operations are managed through Istanbul. With this new office within the capital of Turkey, it will be in a better position to serve the customers in and around Ankara, the central Anatolia area. Being the 2nd largest city after Istanbul, Ankara is situated in an important commercial and industrial zone, amidst the country's road and railway networks.

With this new set-up, we are confident that we would be able to increase our sales activities in all areas of our product significantly.

Further information can be obtained from Globelink Unimar directly.

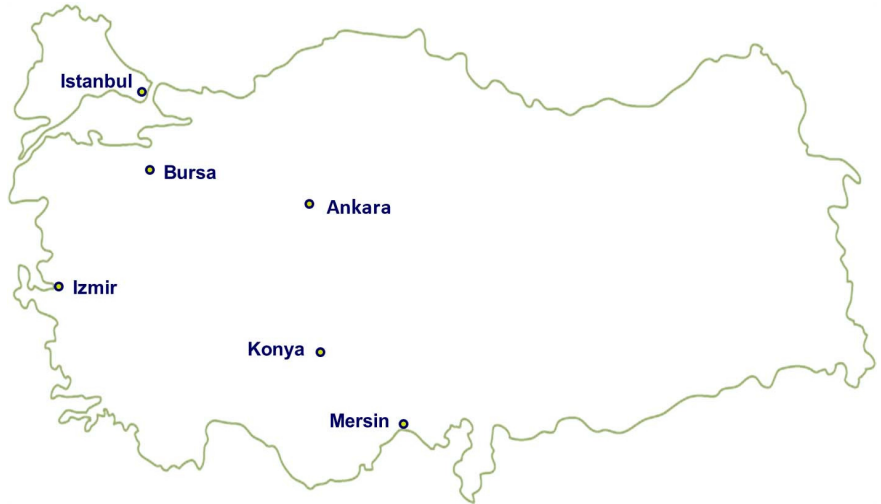

About Globelink Unimar
