### New GlobeLink Offices in Saudi Arabia & Mauritius

It is with great pleasure that CWT GlobeLink announce the establishment of new GlobeLink offices in Saudi Arabia and Mauritius in the month of April.

In GlobeLink's continuous pursuit to strengthen our position as one of the industry leaders, the setting up of GlobeLink West Star Shipping Saudi Arabia and GlobeLink Mauritius represent a strategic expansion in achieving an even more complete global GlobeLink network.

With the addition of these new offices, CWT GlobeLink Group now has a presence of 113 offices in 31 countries including Australia, Bulgaria, China, Costa Rica, Croatia, Egypt, Guatemala, Hong Kong, India, Indonesia, Korea, Kuwait, Malaysia, Mauritius, Morocco, Pakistan, Philippines, Portugal, Qatar, Romania, Saudi Arabia, Singapore, Slovenia, Spain, Sri Lanka, Taiwan, Thailand, Turkey, United Arab Emirates, United Kingdom, and Vietnam, as well as agents covering all major ports of the world.

GlobeLink West Star, with existing offices in Dubai, Abu Dhabi, Sharjah, Doha and Kuwait, has successfully expanded to the Kingdom of Saudi Arabia with new branches in the commercial centers of Dammam, Riyadh and Jeddah.

Saudi Arabia is a sovereign Arab state in Western Asia constituting the bulk of the Arabian Peninsula. As the largest country by land area and population in the Arabian Gulf, Saudi Arabia offers a growing demand for freight forwarding services.

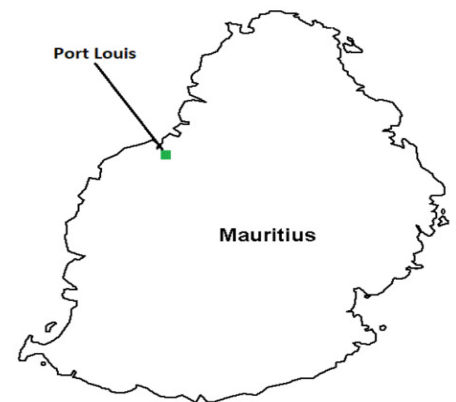

Increasing globalization and robust growth in their retail sector have contributed to the increase in import and export. With rising government support towards the development of logistics infrastructure in the country, Saudi Arabia is quickly becoming one of the major players in the global import and export market, becoming the front-runner in the Middle East when it comes to freight forwarding.

The expansion of new offices further enhance GlobeLink West Star Shipping as a regional freight forwarder and one of the leading LCL consolidators with a presence in Arabian Gulf and Red Sea ports. With these new offices, we are able to service our customers better with 9 import services into Saudi Arabia.

Globelink (Mauritius) Ltd. was established in April 2018 to provide international freight forwarding services. Located in south-western Indian Ocean, Port Louis is an important strategic gateway for cargo traffic going into Indian Ocean. With this new office, Globelink will be able to ride onto the growth of the Indian Ocean market, providing services to Réunion Island, Tamatave (Madagascar), and Mahé (Seychelles).

Globelink (Mauritius) Ltd will be led and driven by the management team, who has more than 20 years of experience in the field, together with their group of capable and highly professional staff. With the alignment of a common customer-oriented goal, Globelink (Mauritius) Ltd is committed to provide high quality services to customers.
