COVID-19 - GENERAL UPDATE

In a bid to bring COVID-19 Pandemic under grip, many countries are implementing lockdown or semi-lockdown. Despite these difficult situations, Globelink offices continue to operate mostly with part of the staff strength working from home. As part of the essential service, we continue to stay open to transport many important essential goods around the world such as medical equipment, marks and medical supplies.

We would like to wish all our customers - Good Health and Safety during this struggle against the virus. United, the World will surely overcome.

COUNTRY FOCUS - KOREA

Globelink Korea established since 2005 and specialized in export & import consolidation business in the market.

We have grown to be one of leading NVOCC company in Korea with total presence of 2 offices in Seoul and Busan.

The Korean peninsula, strategically nestled between China and Japan, is an important transshipment hub not only for the region but also for Europe, North America and South America.

As one of the market leader in the country, Globelink Korea offers a wide range of direct export and import consolidation services from Busan and Incheon. We also provide transshipment service via Busan for various overseas ports.

Services:

- Weekly Export consolidation service to over 111 direct port calls in 49 countries.
- Weekly Import consolidation service from over 69 direct port calls in 30 countries.
- Transshipment service at Busan Hub for Latin America, North China, Japanese local ports and so forth.
- Stuffing/ Unstuffing service at Busan new port.
- Custom clearance for import & export.
- Warehousing service/Door to Door

Export

As a neutral NVOCC player, Globelink Korea main activity is LCL export consolidation to global destination on regular weekly sailings.

Import

Globelink Korea's main import activity is LCL consolidation from global destinations to the Korean port of Busan & Incheon. Customs clearance, distribution and door to door services are also offered.

Transshipment

Globelink Korea handles over 3,000cbm of transshipment cargo per month at Busan port which is the one of the biggest hub in the Asia Far East region.

- COMPETITIVE ADVANTAGES IN TRANSSHIPMENT**

 - Good Geographical location as Hub in Busan, similar to Singapore to Hong Kong
 - Regular sailing with good transit time to Latin America for North China, Japan and Asian origin cargo
 - Regular and frequent sailings to China, Japan local ports for Asia, Europe and American origin cargo
 - Fast and convenient transshipment procedure
 - Competitive transshipment costs and rates
 - Well organized and efficient team to connect all shipments
